Dear parents and carers,

Re: Parent views on parent events

We love to invite parents into our school to share events, pupils' work, books and information. Following feedback, we decided to have all parent events in the last week of the half term. This helps parents to plan ahead, knowing when they will be. Also following feedback from parents, we ensure that events do not always fall on the same day of the week as parents may have commitments on specific days.

We have had so much positive feedback about all of our open events that we have, Come and Read, Open Classrooms and craft events.

As we start planning for the next school year, we want to start to look at events and gather some further feedback.

We have created a short survey to ask parents about events to help us plan moving forward. The link to complete the survey is <https://forms.office.com/e/AJRBPim2PS>

The survey will close on Friday 17th May at 5pm.

Thank you for sharing your views.

Kind regards,

Mrs Skinner
