Dear Parents and Carers,

Re: Introduction to Forest School

We are very excited to announce we will be shortly introducing Forest School at William Harding, an immersive outdoor learning experience that will foster curiosity, creativity, and a deep connection with nature. Forest School will provide children with the opportunity to explore the natural world, develop practical skills, and build confidence in an outdoor environment.

All year groups will have an opportunity to learn in the Forest School over the course of an academic year and more information will be sent out in due course about times and what your child will need to wear. This will be delivered by a trained Forest School Leader with the additional staff to support.

We would like to start Forest School learning with Year 3 this half term and will send a letter to Year 3 parents in the next few weeks giving more details.

Thank you for your continued support.

Kind regards

Mr Liddle
Community & Behaviour Lead
William Harding School

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
