Dear parents and carers,

Re: Parent Friends

What is a Parent Friend?

We are always looking at ways to improve communication and the experience of our parents and carers here at William Harding School. As part of this, we are delighted to announce that we have had some volunteers who would like to be William Harding Parent Friends and help improve communication and provide support for parents.

Our Parent Friends are here to support parents in their year group and provide key dates for the upcoming term. If you have a general question about uniform or how to book a club or how parents evenings work, you could ask one of our Parent Friends. Our Parent Friends are also able to pass on general suggestions or requests to myself. I will then pass these on to the SLT for discussion. If you have a specific question or concern relating your family or child, then please contact the office so that the right person can support you.

Who are our Parent Friends?
