01 May 2024

Dear parents and carers,

Re: Cress competition

I am really thrilled to tell you about an exciting opportunity Year 1 are taking part in.

This half term, and going into next half term, we are taking part in a cress competition where we are creating our own cress heads during our enrichment time. This is a great learning opportunity for the children to watch something grow and to learn more about healthy eating.

We are asking parents to please donate different containers children can choose from to make their cress heads. These can include; clean yoghurt pots, kitchen towel holders, egg cartons, or anything the children can think of.

If these items could come into school by 13th May this would allow us to create the cress heads before we plant the cress.

Thank you for your continued support.

Kind regards,

Miss Garner and Year 1 team.

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
